This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

WASHINGTON
GOVERNMENT PRINTING OFFICE
1909

LETTER FROM THE CLERK SUBMITTING A REPORT AS TO THE EMPLOYEES OF THE HOUSE, EXPENDITURES FROM THE CONTINGENT FUND, STATIONERY ACCOUNTS, ETC.

DECEMBER 7, 1908.—Referred to the Committee on Accounts and ordered to be printed.

HOUSE OF REPRESENTATIVES,
CLERK'S OFFICE,
Washington, D. C., December 7, 1908.

SIR: In compliance with the provisions of sections 60, 61, 62, 63, and 70 of the Revised Statutes of the United States and the requirements of a resolution of the House of Representatives of July 24, 1868, I have the honor to submit the following report for the period from July 1, 1907, to June 30, 1908, both days inclusive, showing the names of all clerks and other persons employed, the time they were actually employed, and the sums paid to each (such clerks and other persons having been actually employed); detailed statement of items of the manner in which the contingent fund of the House has been expended, the several amounts drawn from the Treasury, and the balances remaining in my hands; the quantity and cost of all stationery purchased, the amount delivered; that used in the Clerk's office, the stock on hand, and the amounts of unexpended appropriations.

Respectfully submitted.

A. MCDOWELL,
Clerk of the House of Representatives.

Hon. JOSEPH G. CANNON,
Speaker of the House of Representatives.

207936
